WORK EXPERIENCE

Profiles Asia Pacific Inc.

Aug. 2024 – Sep. 2024

Cybersecurity Intern

Pasig, NCR

- As a Cybersecurity Intern at Profiles Asia Pacific, I apply hands-on experience in enhancing security and compliance through the effective use of Microsoft 365 and its suite of tools, including Defender, Purview, and Intune.
 - Key Results:** Assisted in **assuring ISO 27001/27002 compliance**, improving compliance scores by **35%**.
 - Increased **overall security score by 10%** using Microsoft Compliance Manager in Purview.
 - Implemented and monitored security measures in Microsoft Defender, Purview, and Intune, resulting in faster incident response times.
- Conducted investigations in real-world incidents: performed **log analysis and data forensics**, leading to **2 successful resolutions of security breaches**.
- Participated in GRC (Governance, Risk, and Compliance) activities, strengthening risk management processes.

SHIELD Foundry

Sep. 2023 – Dec. 2023

Junior DevOps Engineer Intern/IT Intern

Taguig, NCR

- Spearheaded containerization and deployment processes, reducing deployment times by 20%.
- Proposed and implemented infrastructure security policies, leading to reduction in system vulnerabilities.
- Developed and deployed monitoring technology for client applications, improving system uptime.

The Flour Apprentice

Feb. 2021– May 2023

Website Developer

Canada, Remote

- Solely responsible for website creation, design, support, and maintenance, delivering 2 client websites with 100% client satisfaction.
- Managed hosting services and reduced operational costs by 45% through optimization and migration to Hostinger.
- Designed and developed websites using Squarespace and WordPress, ensuring seamless migration with no downtime.
